Easter Friday

On Easter Friday the Southport Bowls Club will be closed. We will not be holding our normal Friday night on this day. We will be back on the following Friday 9/04/10. As Easter Friday would have been “Week One” of the basic class, we will be do week 1 & 2 on the 9th. This will be great for those people whom have just taken the course a couple of times and first timers will still be able to dance the first night. Tell your friends.

GANGSTERS AND MOLLS HOP

What a great night!! It was wonderful to see the large number of our Friday Night people attend this Gold Coast Rockers function. Some people went to a lot of trouble to get the look, others just have that look naturally.

Special Events

Do you have a special event coming up? This could be a Birthday, Anniversary, anything. Use Friday Night to help celebrate. We have been asked from time to time if it is alright to bring a cake and do special decorations. Yes!! Not only do we allow, but we also encourage you to bring your celebrations to Friday Night. If you have special requirements, just talk to Lani.

Private Lessons

To improve your dancing even more, Tim & Lani also do private lessons. Private lessons will improve a man's ability to lead, a woman's ability to follow and make all of your moves smoother and in time. We conduct these lessons at our home in Robina. For more information, or to make an appointment phone Lani on 07 5593 3636 or 0402 404 078. It is an easy and inexpensive way to improve your Dancing.

Keep Rock'in
