

Dear Members

Thank you to those who came to last night's dance, it was a great turnout of 120, which was great considering so many still haven't got power back on after the storm. The band played such good music all night, we are so glad we've booked them for our July dance.

The Committee had a quick meeting last night and the following was decided:

Saturday 5th April

Dance at the Italo-Australian Club

Band: The Tri-Tones

We have decided to celebrate our 34th Birthday at this dance with a lovely birthday cake.

Entry \$10 Members, \$15 non-members. **Tickets on sale from next week, and we will take door sales for the late-comers, but please let us know you're attending so we know how many tables/chairs we need.**

Raffle tickets available for purchase.

BYO Food, bar open.

No dress theme, so rock n roll or casual clothing.

Saturday 12th July

Back to School themed dance (wear school uniforms / headmaster / teacher outfits.

Those tickets sold for the cancelled dance on 15th March will be valid for the July dance; OR... you can ask Shirley for a refund and pay again in June when the tickets go on sale (After Cooly Rocks On).
