

Dear Members

#### TASSIE'S GRANDDAUGHTER LARA

We've had a thank you letter from Tara, Tassie's granddaughter, who we helped with a fundraiser for her trip to the USA. I will re-type it here:

I'd like to thank everyone who helped me travel to USA and supported me through all the fundraising enabling me to travel to LA. The tour was nothing short of incredible!

During our two weeks over there we did many, many, workshops and talked with agents. This trip has greatly inspired me and allowed me to visit all different aspects of dance. The trip encouraged me to make friends, step out of my comfort zone, perform in front of large crowds of people and overall experience so much more.

I couldn't be more grateful to have been allowed the chance to travel overseas and open my mind to much bigger things for the future. Thank you to everyone who supported me, I could not be more appreciative.

Regards Lara.

#### NEW DEMO REQUEST:

We have been asked if we have any volunteers who would like to entertain at a nursing home in Banora Point. If anyone can spare 45 min of their time on a weekday to give the residents a beautiful memory, please let me now. Kelly Gawthorne is the organiser, and I have said I'll try and get someone for her. Some of our members live on the southern end of the Gold Coast, and may like to help.

#### THE GOOD OL' COUNTRY BOYS

We're looking forward to seeing a new band this Wednesday night, The Good Ol' Country Boys. They should get your feet itching to get on the dance floor with their wonderful mixture of great dancing music. The committee welcome feedback on how you like them, and whether we want to get them back again.

#### STATE OF ORIGIN

State of Origin is on Wednesday night as well, so will have the game on the TV for those who love their football, so you don't have to stay home and watch it, come and join your friends to watch it in between dances.

Kind regards
